

SALESFORCE BOOTCAMP

salesforce

Apply now

The Salesforce Bootcamp combines the knowledge and skills to become a Salesforce Developer professional with 4 nationally recognised Units of Competency from the ICT40120 Certificate IV in Information Technology.

Gain the skills for the in-demand customer success platform, designed to help companies sell, service, market, analyse and connect with their customers.

You will also have the chance to sit 2 Salesforce industry certifications (Salesforce Administrator & Salesforce Developer) and once qualified you will become a Salesforce Developer. Upon competent program completion, you will obtain a Statement of Attainment with 4 units of Competency from the ICT40120 Certificate IV in Information Technology.

This practical, hands-on, and collaborative program provides graduates with the skills employers are looking for. After the successful completion of the program, Goanna will connect eligible graduates to potential employers.

Entry requirements for candidates:

- Successful completion of a Language, Literacy, and Numeracy (LLN) Assessment
- Passing a pre-entry interview
- Candidates must be Australian Citizens or Permanent Residents, have full working rights in Australia, and must have completed Year 10 (or equivalent).

Concepts and skills taught:

You will learn to add user accounts, specify what people can see and do in Salesforce, manage users, data & security, maintain and customize Sales Cloud and Service Cloud apps, & more.

About the program:

- Free of charge for eligible candidates
- 12-weeks full time
- Virtual classroom learning (live and interactive classes)
- Gain Salesforce Trailblazer badges along the way
- Opportunity to sit 2 Salesforce industry certifications (Salesforce Administrator & Salesforce Developer).

Employment prospects:

Graduates from the Bootcamp are prepared for careers such as:

- Junior Salesforce Administrator
- Junior Business Analyst - Salesforce
- Junior Salesforce Developer.
