

DIGITAL OPERATIONS BOOTCAMP (INDIGENOUS)

Introduction

Study Dates: May 22nd - Aug 11th

Unlock your potential in the tech industry with our free Australia-Wide, two-part Digital Operations Bootcamp Cadetship, designed specifically for Indigenous people. This program is perfect for those with basic computer skills who want to improve their proficiency in Microsoft Word, Excel, and PowerPoint.

The program starts with a 12-week intensive Bootcamp that covers various aspects of digital operations and offers the chance to earn several industry certifications. Upon successfully completing the Bootcamp, you may have the opportunity to participate in a 12-weeks paid cadetship learning experience with one of Goanna's trusted industry partners. Please note that securing a position in the cadetship is not guaranteed and is subject to factors such as market demand, student performance, and availability of positions.

Free of charge

Earn 3 Microsoft Office certifications

6 units of ICT30120 Certificate III in Information Technology

Paid cadetship (subject to conditions & market demand)

Mentor sessions + Cadets support + Guest speakers

Part 1 - Bootcamp

Dive into our comprehensive 12-week Bootcamp, designed to quickly equip you with the vital skills and knowledge needed to thrive in the tech industry. This program combines six units of the ICT30120 Certificate III in Information Technology with Microsoft Office applications and Microsoft Industry Certifications, ensuring graduates are immediately job-ready. Cadets will gain proficiency in Microsoft Word, Excel, and PowerPoint, while earning three Microsoft Office certifications and developing essential financial literacy, critical thinking, and communication skills.

Bootcamp details:

- 12 weeks full-time (Monday-Friday)
- Interactive virtual classroom learning
- Earn 3 Microsoft Office certifications
- Earn 6 units of ICT30120 Certificate III in Information Technology

Part 2 - Paid Cadetship

Upon successful completion of the 12-week Bootcamp, you may qualify for the conditional workplace component of the program. If selected, you'll work full-time for 12 weeks, gaining practical experience in various aspects of an office environment while being paid for your time. You will have the opportunity to apply and practice the skills you developed during the Bootcamp in real-world workplace situations. In addition to work-based learning activities, you may need to engage in some self-directed learning outside of work hours to further enhance your learning.

Cadetship details:

- 12-weeks (full-time) paid cadetship with Goanna's industry partner
- The cadetship is not guaranteed and depends on Bootcamp completion, market demand, student performance, and availability.
